

### **Unit of Study Assignment 5%**

This will be an in class assignment completed individually or in pairs. It is intended to assist in the preparation for an actual course that will be taught. If you do not have your course assignments, please work with an Instructor that has their course assignments for the fall term. After reviewing the course competencies, learners will complete the following:

#### **Unit of Study must include:**

- Goal of the Unit
- Objectives of the Unit
- Essential concepts/questions
- Lesson Plan for the class(es)
- Timeline/schedule
- Materials needed
- Readings associated with the lesson
- Evaluation and assessment related to the Unit of Study
