Course Change Request Form

Enrolled students are responsible for adding, dropping and withdrawing from courses by the established deadlines (Policy 1109). Prior to completing a Course Change Request Form (CCRF), students must request academic advisement from the Coordinating Instructor. Please note:

- If the student requires re-entry/alternate entry, or is applying to repeat course(s), please use PARTL.
- A CCRF is not required for credit granted through RPL unless there is a change in enrollment status or tuition adjustment.
